

Walworth Academy
High Standards . . .
Great Results

"A Good School", Ofsted, 2014

Ms Yvonne Powell, OBE

Principal Yvonne Powell writes:

"Building on our positive Ofsted inspection we are renewing our drive for **high attainment**, to **ensure every student reaches their potential**, from Year 7 to Year 13. Our students deserve the best – excellent teaching, great facilities, committed staff – and that is what we provide at Walworth Academy. We ensure all students have the skills and qualifications to go to university or to follow a career of their choice."

What is our secret? Walworth Academy CARES!

- **C**ommitment
- **A**spiration
- **R**esilience
- **E**xcellence
- **S**elf-management

Our new year 7 pupils for 2015 have just heard that they will be starting with us in September. We have a full programme of activities for them in the coming months to help them settle in – and we are planning for their success, too, when they join us.
